Subject: RE: Illicit Discharge from Puget Sound Naval Shipyard, Reported to ECY, ERTS-657232

Misha and Jeff, An apparent cross-connection with the stormwater system resulted the in the illicit discharge of domestic wastewater through the stormwater system to Puget Sound. The domestic and industrial wastewater from the facility is regulated by Ecology under a SWD Permit for discharge to the City of Bremerton. The source of the est. 500 gallon discharge has been traced and stopped. Contact information is provided in the attached report.
